

# William da Silva Rodrigues

williamrodrigues2442@gmail.com • (88) 99304-4293 • <https://linkedin.com/in/william-rodrigues-dev> • 21 years

## GOAL

I want to work in the web development area based on the philosophy "technology for everyone".

## SKILLS

Python  
Django  
Flask  
Knowledge in SQL

JavaScript  
HTML  
CSS  
Versioning with Git

## EXPERIENCE

### Personal website (independent project)

My personal portfolio.

It contains some information about me and thoughts, for those who want to know me better.

**Link:** <https://willy-r.github.io/portfolio-feliz>

**GitHub:** <https://github.com/willy-r/portfolio-feliz>

**Technologies:** HTML, CSS, JavaScript, Flask

### AluraFlix (independent project)

Website to add and visualize information about movies.

**Link:** <https://willy-r.github.io/aluraflix>

**GitHub:** <https://github.com/willy-r/aluraflix>

**Technologies:** HTML, CSS, JavaScript

### Learning Log (independent project)

Website that helps you to study and learn.

You can add a topic and create annotations on this topic about what you're learning.

**Link:** <https://learninglogsite.herokuapp.com/>

**GitHub:** <https://github.com/willy-r/learning-log>

**Technologies:** Django, Jinja, HTML, CSS, Bootstrap
